## VOLUNTEER EXPERIENCE

- Humanitarian Day Volunteer: Many different SoCal mosques came together and created a volunteer event called Humanitarian Day. The function was an 8-hour volunteer event with some religious talks in between and overall was an influential event. The work that was done was packing necessities such as toothbrushes, toothpaste, mouthwash, deodorant, and much more. (April 2022-April 2022)
- Volunteer Member and Lead, Non-Profit Organization: Islamic Relief USA packs meals for people around the world, struggling from natural disasters to terrorist attacks. The packs include foods ranging from cereal boxes and rice bags to dried veggies and packed soy. Personally, I have led a couple of volunteer events, ranging from 40-90 people and packing 10,000-25,000 meals each time I volunteer. (2022-Present)
