## EXPERIENCE

### Hollister Co., Mckinney, TX — *Brand Rep*

June 2019 - June 2020

This was my first job at 15, I worked as a Brand Representative which meant I would work on registers, fold clothes, talk to customers, and organize shipment. I left this job because I didn't have my license at that moment and my parents did not like driving 20 minutes to drop off and pick me up from work.

### Jeremiahs Italian Ice, Mckinney, TX — *Store Manager*

July 2019 - PRESENT

I started off as a server who would work registers and make ice cream. I got promoted 8 months later to a Shift Lead which meant I was in charge of all the employees in keeping them accountable during my shift and I would be in charge of counting the money for the night or in the morning. Then once my manager left for college, I asked my bosses if I could be a manager, so I got promoted to manager in the fall of 2023. Now I am in charge of every employee in the store, new hires, inventory, shipments, difficult customers, phone calls, catering, money, etc.

### New Balance, Allen, TX — *Brand Rep*

Feb 2023 - June 2023

I worked at New Balance as a Brand Representative which meant I would work registers and help customers with any questions about our shoes and clothes. I left this job a little after the Allen Outlets shooting that happened May 6th of 2023 because of the environment.

### Child Care, Christ Fellowship Mckinney — *Assistant*

May 2019 - August 2020

I worked as an assistant at my church's Child Care job for a while which meant I would be taking care of kids from ages 2-12 at the same time. I left this job after I got an internship position at my church which took up my time.
