Work Experience

Sales Representative

Menasha Packaging - Dallas, TX

January 2022 to July 2022

Menasha was a great job that taught my very important organizational skills. I did everything from line loading to line lead , packaging and forklift, giving myself an advantage by just being available to work.

Furniture Mover

Ashley's - Dallas, TX

May 2021 to September 2021

Ashley was a great job if you interested in travel which at the time I was. It taught many values with communication and encountering customers and their products face to face.

Forklift Operator

Chewy - Dallas, TX

October 2020 to January 2021

Chewy was great. I was able to certified for many different forklifts, I was given the home of helping to manage my team and take on the more difficult tasks needed to be done on the forklift for my position. With inventory accuracy is key and it showed me just that and how a helping hand can go a long way,

Custom Woodworker

ABS - Dallas, TX

December 2019 to May 2020

ABS was a great place to learn many traits of constructing and building with tools. We made industrial grade and luxury framing for homes .Doors that's slide or conjoin, it was a great place for my to establish teamwork and leadership qualities to further my work expertise
