Qualifications Profile: I have an outgoing personality willingness to learn and adapt to new concepts and ideas. Creative in the workplace being able to implement many of my ideas while avoiding infringement on corporate policy and procedure. A team player and a leader. Well liked people feel comfortable coming to me to resolve issue's. Assisting others in bringing out the best in themselves. Other qualities are dependability, alertness, and punctuality. I consider these qualities to be equally measured with or surpass most work expectations.
