## About Me

As a people-oriented individual, I thrive on creating welcoming, organized environments where others feel valued and comfortable. With a background in teaching and coaching, I am adaptable, detail-oriented, and focused on building positive, collaborative relationships. I am eager to bring my communication skills, patience, and dedication to delivering exceptional service to a team at TEN Sushi

---

## Experience

### Orange County School of the Arts / Conservatory Teacher

August 2024 - Present, Irvine, CA

- Coordinated schedules, performance events, and logistics for 20+ students, ensuring seamless operations and clear communication.
- Fostered a collaborative environment, working closely with students and faculty to ensure smooth delivery of educational goals.
- Managed multiple tasks under pressure, adapting quickly to new situations and needs, ensuring high standards of service and communication.

### Davide Costa Voice Lessons / Owner, Voice Coach

June 2020 - PRESENT, Orange County, CA

- Managed a busy schedule of private lessons for over 20 students, ensuring timeliness and clear communication with clients.
- Developed strong, trusting relationships with clients, adapting lessons to meet individual needs and maintaining a high level of professionalism.
- Handled all administrative duties, including invoicing, scheduling, and client relations, with meticulous attention to detail and organization.

### Duffl / Associate Racer

September 2023 - May 2024, Los Angeles, CA

- Managed invoicing and inventory, ensuring that all processes were accurate and efficient to support smooth operations.
- Assisted with onboarding new hires, training them on communication and teamwork within a fast-paced environment.
- Supported team coordination through tools like Slack, ensuring clear communication and efficient task management.

### John Wooden Center, UCLA / FITWELL Supervisor

February 2022 - April 2024, Los Angeles, CA

- Supervised a large facility, ensuring smooth operations and responding quickly to customer needs and inquiries.
- Coordinated communication between patrons, staff, and management, ensuring high levels of satisfaction and safety.
- Managed logistical tasks like scheduling and maintenance requests, ensuring that the facility remained organized and well-maintained at all times.
